CAPTAIN PLANNING FORMS | 2015

Brainstorm on New Projects and Collaborations

How can our organizations work together on training for staff and families (e.g. regional EBP conference, cross training for new staff, training for CACs or boards, developing/establishing demonstration sites within our region, planning a make and take for families or new teachers, creating a regional CAPTAIN brochure, social media sites, conducting a collaborative parent training)?

Partnering with Teacher's College to increase knowledge of EBPs early on in their coursework. Offer to present for CACs and as guest speakers in a Teacher's Colloeg course. Increase participation across agencies in parent trainings being provided. Speak with administration at local colleges to increae their awareness of autism and interventions. Increasing participation from general education teachers in trainings.

How can our organizations work together to provide training and updates to each other on relevant policy and practice changes that impact services to those with ASD (quarterly meetings, listserve/newsletter, hot topics presentation at quarterly mtg)?

Develop a listserve, discuss posting regional information on the CAPTAIN site so all Region 4 cadre members can access, develop a way to share/present "Hot Topic" information, look into a method to hold conference calls to increase participation in quarterly meetings (possibly for one of the quarterly meetings).

Quarterly meeting dates: November 12, 2015 @ 1:30; January 21, 2016 @ 1:30 location TBA ~ additional dates will be set at one of the upcoming meetings.

How can our Regional CAPTAIN Chapter connect with other agencies in our area that need to become a part of this network (e.g. Higher Ed., Vendors/Providers, Local Support and Advocacy Groups)?

see above notation re: Teacher's College and local community colleges; invite local NPAs to the CAPTAIN cadre meetings and they can help facilitate EBP trainings and Autism Forum.

What project, conference or product could our regional team develop (EBP conference, brochure, table at Autism Walk, CAPTAIN Newsletter, etc)?
