**Brainstorm on New Projects and Collaborations**

*How can our organizations work together on training for staff and families (e.g. regional EBP conference, cross training for new staff, training for CACs or boards, developing/establishing demonstration sites within our region, planning a make and take for families or new teachers, creating a regional CAPTAIN brochure, social media sites, conducting a collaborative parent training)?*

Lake County-Some areas are severely impacted by the fires, so providing trainings this year is not working. Lake is cancelling trainings.

Continue to provide overviews of EBPs to administrators. This past year overviews were offered but very few administrators attended. Can the different districts collaborate on trainings?

Regional conference-invite parents, vendors, medical professional

Add SELPA/district info to CAPTAIN brochure

Mendo has a teacher/class who could be demonstration site (CPRT)

Lake County will reach out to Tribal Health

*How can our organizations work together to provide training and updates to each other on relevant policy and practice changes that impact services to those with ASD (quarterly meetings, listserve/newsletter, hot topics presentation at quarterly mtg)?*

Will schedule meetings for remainder of year-Dec 2, 3:30; Feb 17, 3:30; March 23, 3:30 (can coordinate activities for April, Autism Awareness Month)

Share info through emails; list serve

*How can our Regional CAPTAIN Chapter connect with other agencies in our area that need to become a part of this network (e.g. Higher Ed., Vendors/Providers, Local Support and Advocacy Groups)?*

Added Debbie and Gina to their email list- will at least get them the minutes from the meetings.

Invite Marymount (Lake County) to conference

Mendo is working on Dominican

*What project, conference or product could our regional team develop (EBP conference, brochure, table at Autism Walk, CAPTAIN Newsletter, etc)?*

Continue offering trainings to administrators; take trainings to the school sites

Mikala has been doing trainings on PECs for several years-would be willing to offer the training to other regions.

Video tape trainings and share the videos
