**Report Out and Discuss 2014 Goal**

Goal Area	GAS Score	What Influenced Our Accomplishments?	What were Barriers to our Work?
<b>Goal Area 1: Increasing Knowledge About ASD and EBPs in our Community</b>	<b>2</b>	Able to reach many new stakeholders and vendors across the 3 counties.	We cover such a large geographical area, how can we reach all stakeholders?
<b><i>Goal Area 2: Increase implementation and fidelity of use of the identified EBPs by providers and implementers</i></b>	<b>0</b>		Teachers' knowledge on EBPs is increasing but implementation continues to be less than expected. Want to increase fidelity checks and systfeedback.
<b><i>Goal Area 3: Improve and increase collaboration between the various agencies serving and supporting individuals with ASD</i></b>	<b>-1</b>	A website has been created - 1 EBP training has been uploaded.	Time.

## **Brainstorm on New Projects and Collaborations**

*How can our organizations work together on training for staff and families (e.g. regional EBP conference, cross training for new staff, training for CACs or boards, developing/establishing demonstration sites within our region, planning a make and take for families or new teachers, creating a regional CAPTAIN brochure, social media sites, conducting a collaborative parent training)?*

A collaborative / multi-county website has been created. We plan to share training opportunities, cadre information, and other local information. Parent conference was cancelled (Walking the Path Together, Parents Helping Parents). Each district could sponsor a family. We can share information to hold this conference in another agency. Work with local colleges to provide child care as part of a class. Colleen & Erin to collaborate - perhaps back-up the parent meeting with CAPTAIN. Use Periscope or Edmodo. Have a traveling group of trainers presenting the same information and include the webinar piece.

*How can our organizations work together to provide training and updates to each other on relevant policy and practice changes that impact services to those with ASD (quarterly meetings, listserve/newsletter, hot topics presentation at quarterly mtg)?*

The 805 Website, we would like to link to CAPTAIN state website, and encourage other regions to develop a website.

*How can our Regional CAPTAIN Chapter connect with other agencies in our area that need to become a part of this network (e.g. Higher Ed., Vendors/Providers, Local Support and Advocacy Groups)?*

Gave the local university one of our SELPA spots. in the next year, invite behavioral health to attend CAPTAIN 805 trainings. TCRC will shareout info with vendor advisory committee. Reaching out to group homes.

*What project, conference or product could our regional team develop (EBP conference, brochure, table at Autism Walk, CAPTAIN Newsletter, etc)?*

CAPTAIN 805 website & blog. Tables at Aut to Run & autism walk. Brochures in district, county, SELPA, and university offices. 4 or 5 CAPTAIN promo slides for each training.
