

*It is our mission for CAPTAIN to help to establish trainer of trainers at the local level on ASD and to support a common set of accepted Evidence Based Practices (EBPs), to connect providers from various agencies in hopes of establishing/strengthening local networks and facilitating cross agency communication and training. There are three **Impact Goals** we are hoping local teams can influence through your collaborative work:*

1. *Increase knowledge about ASD and EBPs within your communities*
2. *Increase implementation and fidelity of use of the identified EBPs by providers and implementers*
3. *Improve and increase collaboration between the various agencies serving and supporting individuals with ASD within your communities (e.g. schools, regional centers, FRCs, vendors/nonpublic providers, mental health providers, etc.)*

How these meetings are structured can help your collaboration process. Here is a **suggestion** for how to organize your quarterly meetings:

Meeting 1 after summit:

- Establish roles & responsibilities (facilitator, note taker, snack person, etc.)
- Schedule all meetings for the coming year (or have a doodle poll person).
- Review or complete GAS goals.
- Break into workgroups or committees to establish work plans for your GAS goals.

Meetings 2 – 3:

- Report out on workgroup activities
- Guest speaker or program showcase

Meeting 4 Before Summit:

- Review all GAS goals and rate your RIT completion
- Prepare for CAPTAIN Showcase (poster to share back with Cadre at the Summit)

How'd we do?

Reflect on your work from the past year. Take a few minutes to celebrate your successes!! Evaluate your goals from last year's plan. Discuss those things that contributed to success and may have been obstacles or barriers. Next, think about, share and discuss ways your regional CAPTAIN chapter can work together to accomplish the core impact goals of CAPTAIN. Develop your 2016-17 goals and have fun!!!
