Goal Planning for 2021-2022

Goal Area 1: Collaboration to address a region's specific need, issue or challenge that relates to individual with ASD and their families

Current Level of Performance Data (0)

Self-Determination
Social Recreation Programs for Children
Autism Symposium -> Neurodivergent Symposium
ASD and other Mental/Medical Health co-occurrence issues with adequate care/support

Initial Objective (1)

Awareness building around the term Neurodivergent, the various agencies which make up the CAPTAIN Cadre members, how to navigate services and supports in the North State for folx with ASD, the age of Self-Determination, and Social Recreation Programs for Children

Secondary Objective (2)

Invite other organizations the individual/family is involved with to support/team meetings
Utilize technology to reduce travel time impacts, train staff to be aware of the myriad of support organizations in addition to their own, remind families/individuals of other support agencies

Expected level of Outcome (3)

Create Infographic(s) around terms, resources, and navigating CAPTAIN agencies (schools, FNRC, family resource)

Exceeds Expected Outcome (4)

Disseminate Infographic(s) around terms, resources, and navigating CAPTAIN agencies (schools, FNRC, family resource)

REGIONAL Problem of Practice (Related to Goal 1)

Current Problems of Practice

Rural, geographically (staff shortages or no agencies are local) - we don't understand how to navigate one another's systems/organizations (lack of knowledge ourselves on how to help fix problems outside our own scope) - combatting common myths and stereotypes of the various agencies

Resources that can be utilized to support implementation

About Us videos for each agency (may or may not already be available) - trainings from cadre members to others about their organization (ToT to disseminate to colleagues) - skills to disseminate information (marketing, PR, multimedia)

Expected Outcome

Provide options and opportunities - increase community supports for others, decrease isolation or feelings of hopelessness

Measurement of growth

% of content areas created for infographics - % of organizations infographics were disseminated to

Goal Planning for 2021-2022
